- Emergency Assistance (e.g. utilities, rent, heat)
- Bullying and/or Harassment in Schools, Colleges, Places of Work
- Juvenile Delinquency
- Crime
- Environment Exposures (For example, air quality or children exposed to secondhand smoke)
- Other: _____

Based on your selection above, what do you think are some of the reasons why these issues exist?
(Select all that apply in each category).

10. Health Reasons (Select all that apply)

- | | |
|--|--|
| <ul style="list-style-type: none"> <input type="checkbox"/> Access to or no preventive health services
For example, not getting screened/tested for health problems, not having health insurance, not having or being seen by a doctor <input type="checkbox"/> Access to or lack of health insurance <input type="checkbox"/> Access to ongoing health care to address identified and/or chronic health/medical problem(s)
For example, not having health insurance or not having a doctor <input type="checkbox"/> Access to or lack of oral health services
For example, not going to dentist or getting care for dental problems <input type="checkbox"/> Little to no physical activity (not getting enough physical activity or exercise) <input type="checkbox"/> Other (please specify): | <ul style="list-style-type: none"> <input type="checkbox"/> Access to or lack of maternal, infant and child health services
For example, little to no access to prenatal care, not being seen by OB-GYN, no well-child visits with doctors <input type="checkbox"/> Access to or lack of mental health providers
For example, not enough mental health providers, no insurance or not enough coverage <input type="checkbox"/> Access to or lack of Medicaid accepting mental health providers <input type="checkbox"/> Access to or lack of reproductive and sexual health support
For example, do not know your own HIV/AIDS status or sexually active women and men not seeing a doctor |
|--|--|

11. Which zip code areas do you think are affected the most by the Health Reasons listed above?
(Select all that apply)

- 32301 32303 32304 32305 32308 32309
- 32310 32311 32312 32317 32344

12. Essential Needs Reasons **(Select all that apply)**

- Access to food
 For example, not having enough to eat, do not know where to go to get food, not having enough vegetables or fruits to eat
- Access to or lack of affordable housing
 For example, housing that aligns with wages earned, housing that is safe/secure
- Other (please specify):
- Lack of or no child care
- Lack of and/or challenges with transportation
 For example, cannot get to job, cannot access needed health, human and/or social services

13. Which zip code areas do you think are affected the most by the Essential Needs Reasons listed above? **(Select all that apply)**

- 32301 32303 32304 32305 32308 32309
- 32310 32311 32312 32317 32344

14. Jobs/Employment Reasons **(Select all that apply)**

- Not graduating from high school
- Access to or lack of career/job training and higher learning opportunities
 For example, not having funds to pay for it, do not meet eligibility criteria
- Not enough jobs/opportunities to make a living wage
- Other (please specify):

15. Which zip code areas do you think are affected the most by the Jobs/Employment Reasons listed above? **(Select all that apply)**

- 32301 32303 32304 32305 32308 32309
- 32310 32311 32312 32317 32344

16. Specific Population Services Reasons (**Select all that apply**)

- Access to or lack of afterschool academic support programs for K-12 students
For example, not enough programs, difficult to get in, not available for children in need area
- Access to or lack of K-12 enrichment programs
For example, civic engagement, leadership, extracurricular activities
- Access to or lack of support services for teens/youth for enrichment and prevention of delinquency/unhealthy behaviors
- Access to or lack of services to support early learning for 0-4-year-old children
- Access to or lack of services to support adult literacy (helping adults learn how to read and write)
- Access to or lack of aid for the elderly and/or disabled
- Access to or lack of support services for veterans
- Access to or lack of programs for ex-convicts
For example, recidivism/re-offending prevention, job placement, housing
- Other (please specify):

17. Which zip code areas do you think are affected the most by the Specific Population Services Reasons listed above? (**Select all that apply**)

- 32301 32303 32304 32305 32308 32309
- 32310 32311 32312 32317 32344

18. Support Services Reasons (**Select all that apply**)

- Not enough social service providers
For example, little emergency assistance support, family/individual support, linkages to resources, support system/someone to reach out to for help
- Access to or lack of free or reduced cost legal services
For example, rent/utility assistance, bullying or harassment in schools/colleges/work place
- Support for substance abuse and tobacco use
For example, help for those using drugs or alcohol or binge drinking, smoking cigarettes, vapes and other tobacco products
- Access to or lack of support for victims of domestic violence or sexual offenses
- Other (please specify):
- Access to or lack of support for victims of child abuse and neglect
- Access to or lack of immigration services
- Lack of services/programs that address environment exposures

19. Which zip code areas do you think are affected the most by the Support Services Reasons listed above? (**Select all that apply**)

- 32301 32303 32304 32305 32308 32309
- 32310 32311 32312 32317 32344

20. Human Service Delivery System Reasons (**Select all that apply**)

- Community residents do not know where to go to get help or are not aware of available services
- Service system confusing and challenging regarding eligibility requirements, access, completing forms
- Other (please specify):

21. Which zip code areas do you think are affected the most by the Human Service Delivery Reasons listed above? (**Select all that apply**)

- 32301
- 32303
- 32304
- 32305
- 32308
- 32309
- 32310
- 32311
- 32312
- 32317
- 32344

22. What population’s health and well-being are most at risk due to the lack of or access to human services available in Tallahassee/Leon County?

- Children 0-5 years old
- College students
- Mentally ill
- Children 6-12 years old
- Elderly
- Working Poor
- Children 13-18 years old
- Veterans
- Homeless
- Adults
- Disabled
- Other (please specify):

Appendix C Resident Survey and Results

Special thank you to all individuals who took the time to share their thoughts and feedback as a participant in the Resident Survey for the 2019 CHSP Community Needs Assessment.

Survey

Community Human Service Partnership (CHSP) 2019 Resident Community Needs Assessment Survey

This survey is an opportunity to share your feedback on human service needs in Tallahassee/Leon County! The survey will be available through May 6, 2019, for all residents, 18 years of age and older, living in Tallahassee/Leon County.

It takes about 10 minutes to complete the survey. For more information about the survey, contact us at CHSPsurvey19Info@yahoo.com or 850-875-5006.

1. Please select the zip code where you live in Leon County:

32301	32303	32304	32305	32308	32309
32310	32311	32312	32317	32344	

2. What do you think are the five most important issues that affect our health, wellbeing and quality of life in Tallahassee/Leon County? **(Please read all choices and then select five)**
 - Poverty
 - Homelessness
 - Affordable Housing
 - Unemployment
 - K-12 Education (For example, low academic scores, low performing schools)
 - Early Learning and/or Adult Literacy
 - Post High School Education or Career Training
 - Preventive Health Care (For example, physicals/general check-ups)
 - Health Care to Address Ongoing Health/Medical Problems
 - Mental Health (For example, depression and suicide)
 - Substance Abuse (e.g. higher number of people drinking alcohol or using drugs)
 - Maternal and Child Health (e.g., infant death, premature births)
 - Oral Care
 - Child and/or Adult Obesity, Physical Activity
 - Food and/or Nutrition
 - Emergency Assistance (e.g. utilities, rent, heat)
 - Bullying and/or Harassment in Schools, Colleges, Places of Work
 - Juvenile Delinquency
 - Crime
 - Environment Exposures (For example, air quality or children exposed to secondhand smoke)
 - Other: _____

Based on your selection above, what do you think are some of the reasons why these issues exist? **(Select all that apply in each category).**

3. Health Reasons (Select all that apply)

- Access to or no preventive health services
For example, not getting screened/tested for health problems, not having health insurance, not having or being seen by a doctor
- Access to or lack of health insurance
- Access to ongoing health care to address identified and/or chronic health/medical problem(s)
For example, not having health insurance or not having a doctor
- Access to or lack of oral health services
For example, not going to dentist or getting care for dental problems
- Little to no physical activity (not getting enough physical activity or exercise)
- Other (please specify):

- Access to or lack of maternal, infant and child health services
For example, little to no access to prenatal care, not being seen by OB-GYN, no well-child visits with doctors
- Access to or lack of mental health providers
For example, not enough mental health providers, no insurance or not enough coverage
- Access to or lack of Medicaid accepting mental health providers
- Access to or lack of reproductive and sexual health support
For example, do not know your own HIV/AIDS status or sexually active women and men not seeing a doctor

4. Essential Needs Reasons (Select all that apply)

- Access to food
For example, not having enough to eat, do not know where to go to get food, not having enough vegetables or fruits to eat
- Access to or lack of affordable housing
For example, housing that aligns with wages earned, housing that is safe/secure
- Other (please specify):

- Lack of or no child care
- Lack of and/or challenges with transportation
For example, cannot get to job, cannot access needed health, human and/or social services

5. Jobs/Employment Reasons (Select all that apply)

- Not graduating from high school
- Access to or lack of career/job training and higher learning opportunities
For example, not having funds to pay for it, do not meet eligibility criteria
- Not enough jobs/opportunities to make a living wage
- Other (please specify):

6. Specific Population Services Reasons (**Select all that apply**)

- Access to or lack of afterschool academic support programs for K-12 students
For example, not enough programs, difficult to get in, not available for children in need area
- Access to or lack of K-12 enrichment programs
For example, civic engagement, leadership, extracurricular activities
- Access to or lack of support services for teens/youth for enrichment and prevention of delinquency/unhealthy behaviors
- Access to or lack of services to support early learning for 0-4-year-old children
- Other (please specify):
- Access to or lack of services to support adult literacy (helping adults learn how to read and write)
- Access to or lack of aid for the elderly and/or disabled
- Access to or lack of support services for veterans
- Access to or lack of programs for ex-convicts
For example, recidivism/re-offending prevention, job placement, housing

7. Support Services Reasons (**Select all that apply**)

- Not enough social service providers
For example, little emergency assistance support, family/individual support, linkages to resources, support system/someone to reach out to for help
- Access to or lack of free or reduced cost legal services
For example, rent/utility assistance, bullying or harassment in schools/colleges/work place
- Support for substance abuse and tobacco use
For example, help for those using drugs or alcohol or binge drinking, smoking cigarettes, vapes and other tobacco products
- Access to or lack of support for victims of domestic violence or sexual offenses
- Other (please specify):
- Access to or lack of support for victims of child abuse and neglect
- Access to or lack of immigration services
- Lack of services/programs that address environment exposures

8. Human Service Delivery System Reasons (**Select all that apply**)

- Community residents do not know where to go to get help or are not aware of available services
- Service system confusing and challenging regarding eligibility requirements, access, completing forms
- Other (please specify):

- 9. What suggestions/ideas do you have to address the social/health issues and/or barriers you selected above?

- 10. What social/health/human services do you think are missing or lacking in Tallahassee/Leon County?

- 11. Which social/health/human services would you like to see more of in Tallahassee/Leon County?

- 12. Check Yes, No or N/A for the following statements:

	Yes	No	N/A
I have health insurance			
My child has health insurance

Appendix H Student Housing

<https://geomap.ffiiec.gov/FFIECGeocMap/GeocodeMap1.aspx>

Listing of units advertised as student housing by Zip Code and Census Tract. The list is populated using information from various sites including, but not limited to:

- <http://www.studenthousingsolutions.com/apartments.php>
- <https://www.shshouses.com/vacancies>
- <https://www.americancampus.com/student-apartments/fl/tallahassee>
- <https://www.student.com/us/tallahassee>
- Advertisements under “Cheap Student Apartments
- Florida State University Housing
- Office Campus Housing, LLC

This list of student housing is not exhaustive, nor is it intended to imply that only students live in these places. Units marked with an asterisk (*) indicate that personal contact was made to complexes or property managers who indicated that the majority of the units are rented to students.

Appendix I Inventory of Existing Services

See attached Excel file for Inventory

Appendix J Services Gaps Questionnaire

NOTE: Agencies provide information as it relates to services for Tallahassee & Leon County Only. Where possible, agencies provide information by program.

Agency/Program(s) Name: _____

1. How many people does your agency serve? (number)
2. Are you at capacity? Yes or No
 - a. If no, at what percent of capacity are you? Example, 50%, 60%, 85%
 - b. If yes, how many more people (number) need your services that you are unable to serve because you are at capacity?
3. How are you capturing information about the number of people you are unable to serve? For example, do you have a waitlist, people leave phone/text/email messages with the agency with their requests, etc.?
4. What specific service(s) or items/things are they requesting that you are unable to provide because you are at capacity?
5. Do you have a waitlist? Yes or No
 - a. If yes, how many people are on the waitlist? (number)
 - b. If you have a waitlist, what are the people on the waitlist waiting to receive?
6. Do you need more money to serve those in need of your service(s)? Yes or No
 - a. If so, if you received more money, what would you use the money to purchase or how would you use the money?
7. Name/title of the person completing the assessment: _____

Send completed questionnaire to: Carol Gagliano, Center for Health Equity, Inc.

Appendix L Sources for Measures and Tools

Sources for Evidence-Based and/or Research-Informed Programs, Practices, Measures and Tools

1. Substance Abuse and Mental Health Services Administration (SAMHSA) Evidence Based Programs <https://www.samhsa.gov/ebp-resource-center> (NOTE: contains a collection of science-based resources, including Treatment Improvement Protocols, toolkits, resource guides, and clinical practice guidelines, for a broad range of audiences.)
2. Youth.gov Evidence-based Program Directories <https://youth.gov/evidence-innovation/evidence-based-program-directories>
 - a. U.S. Department of Education
 - i. What Works Clearinghouse (<https://ies.ed.gov/ncee/wwc/>) (NOTE: Research on a range of education topics and a searchable research directory on interventions that can be filtered by topic/outcome domains, grade, effectiveness rating, extent of evidence, and the delivery method)
 - b. U.S. Department of Health and Human Services: Youth.gov Program Directory <https://youth.gov/evidence-innovation/program-directory> (NOTE: Searchable directory features evidence-based programs whose purpose is to prevent and/or reduce delinquency or other problem behaviors in young people. The directory filters by key word, risk factor, and protective factor.)
 - i. U.S. Department of Health and Human Services: Home Visiting Evidence of Effectiveness (HomVEE) <https://homvee.acf.hhs.gov/>
 - ii. Teen Pregnancy Prevention Program (TPPP) <https://www.hhs.gov/ash/oah/grant-programs/teen-pregnancy-prevention-program-tpp/index.html#.VDL3QyldUeg> or more directly... <https://www.hhs.gov/ash/oah/grant-programs/teen-pregnancy-prevention-program-tpp/evidence-based-programs/index.html>
 - iii. Self-Sufficiency Research Clearinghouse <https://www.opressrc.org/> (NOTE: Provides access to materials related to self-sufficiency programs, practices, and research. It can be searched by keyword, topic, category, area of interest, publisher, year, reference type, research methodology, geographic focus, and target population.)
 - iv. Strengthening Families Evidence Reviews <https://www.mathematica-mpr.com/our-publications-and-findings/projects/strengthening-families-evidence-review-sfer> (NOTE: Review involved a systematic review of research on programs serving low-income fathers or couples. A searchable tool allows users to search all studies included in the review and filter by key words, study rating, program goals and outcome domains, and program components.)
 - v. Proven and Promising Responsible Fatherhood and Family Strengthening Initiatives – Evidence Review

- <https://www.acf.hhs.gov/opre/research/project/proven-and-promising-responsible-fatherhood-and-family-strengthening> (NOTE: The initiative includes reviews that catalogue the quality of the evidence from studies of programs serving low-income fathers and couples.)
- c. U.S. Department of Justice
- i. Crime Solutions <https://www.crimesolutions.gov/> (NOTE: This directory covers topics including drugs and substance abuse, juveniles, crime and crime prevention, victims and victimization, law enforcement, technology and forensics, corrections and reentry, and courts. Programs are assessed by an evidence rating of effective, promising, or no effect.)
 - ii. The National Reentry Resource Center What Works in Reentry Clearinghouse <https://whatworks.csgjusticecenter.org/> (NOTE: The Clearinghouse offers easy access to research on the effectiveness of a wide variety of reentry programs and practices. Information is categorized by focus area, and a customizable search feature is available.)
 - iii. Office of Juvenile Justice and Delinquency Prevention (OJJDP) <https://www.ojjdp.gov/mpg/> and more specifically to access programs... <https://www.ojjdp.gov/mpg/Program> (NOTE: The Office of Juvenile Justice and Delinquency Prevention's (OJJDP's) Model Programs Guide (MPG) contains information about evidence-based juvenile justice and youth prevention, intervention, and reentry programs. It is a resource for practitioners and communities about what works, what is promising, and what does not work in juvenile justice, delinquency prevention, and child protection and safety.)
3. ReCapp Resource for Adolescent Pregnancy Prevention Evidence-Based Programs <http://recapp.etr.org/recapp/index.cfm?fuseaction=pages.ebphome> (NOTE: Programs on list address more than just adolescent pregnancy prevention)
 4. What Works Wisconsin – Effective Programs and Resources for Children, Youth and Families <http://whatworks.uwex.edu/Pages/2evidenceregistries.html>
 5. ETR Associates CDC Division of Reproductive Health – Compendia of Science-Based Programs (in the areas of Adolescent Pregnancy and STD/HIV Prevention Programs, HIV Programs, Parent Programs, Program for Young Men, Programs that Address Second Pregnancies, After-School Programs, Early-Childhood Programs, and Substance Abuse Prevention Programs) <http://recapp.etr.org/recapp/documents/programs/CompendiumSciencebasedPrograms.pdf>
 6. Center for Disease Control and Prevention (CDC) Effective Interventions HIV Prevention that Works <https://effectiveinterventions.cdc.gov/>
 7. CDC – The Community Guide <https://www.thecommunityguide.org/> or more specifically click on GuideCompass <https://www.thecommunityguide.org/guidecompass#/home>
 8. University of Michigan Injury Center Interactive Database <http://www.injurycenter.umich.edu/programs> (NOTE: Database designed to provide public health professionals and researchers with access to evidence-based injury prevention

programs, databases of evaluated prevention programs, and best-practice educational materials. Search by resource type, population and injury category.)

9. Sources for Emergency Services / Basic Needs Funding Category

- Feeding America <https://www.feedingamerica.org/>
- United States Department of Agriculture – Guide to Measuring Household Food Security
 - <https://www.ers.usda.gov/topics/food-nutrition-assistance/food-security-in-the-us/survey-tools.aspx>
 - <https://www.ers.usda.gov/topics/food-nutrition-assistance/food-security-in-the-us/measurement.aspx>

10. Sources for Disability Funding Category

- Centers for Disease Control and Prevention – Standard Disability Questions on Population Surveys <https://www.cdc.gov/ncbddd/disabilityandhealth/datasets.html>
- U.S. Department of Health and Human Services <https://aspe.hhs.gov/basic-report/hhs-implementation-guidance-data-collection-standards-race-ethnicity-sex-primary-language-and-disability-status>
